

The background of the newsletter cover is a photograph of a stage performance. A man dressed as Mahatma Gandhi, wearing a white dhoti and shawl, is walking barefoot on a stage. He is holding a wooden staff and has a white cloth draped over his shoulder. Behind him, several people are holding signs that read "Salt Satyagrah" and "NON VIOLENCE". The stage is decorated with colorful balloons and a large screen in the background. A large, semi-transparent orange and red circle is overlaid on the left side of the image, containing the text "Wipro Cares Volunteering Newsletter" and "February 2020".

## Pledge against single use plastic @ ODC

Wipro Cares volunteering team visited all the ODCs at campus and encouraged employees to take a pledge against the use of single use plastics. They conducted floor walks to spread awareness on how we can minimize the use of plastic in our day-to-day life.

The volunteers held awareness sessions in the cafeteria in addition to a poster making competition. A panel of judges selected the best posters on alternatives to single use plastics, which were then exhibited in the cafeteria, and Wipro Cares recognized the winners through prizes that were given away by the location FMD Head.

## Health camp with HEADS (Health Education Agricultural Development Society)

10 Wipro Cares volunteers assisted in the general health and eye screening health camp at Mallepura, a remote village located at Devanahalli. They assisted the para-medical team by checking blood pressure and blood sugar glucose level of the villagers. Volunteers promoted the importance of personal health hygiene to Mallepura Government schoolchildren and demonstrated personal hygiene methods to practice in day-to-day life.

# About Wipro Cares

---

- Wipro Cares, is a unique model of Wipro employee engagement. It is a trust conceived and set up as a platform to galvanize a sense of employee citizenship and responsibility. Employees can choose to volunteer with our partners and / or contribute monetarily which is then matched by Wipro 1:1
- Through Wipro Cares we engage meaningfully with disadvantaged communities who are proximate to our facilities. Our work spans across primary health-care, school education, community ecology and disaster rehabilitation.
- To contribute towards disadvantaged communities across India, [DONATE NOW](#) by visiting Wipro Cares App
- For any queries, please write to [wipro.cares@wipro.com](mailto:wipro.cares@wipro.com)
